

Archbp. Carlo Maria Vigano Dossier

The object of this dossier is to demonstrate Carlo Maria Vigano's role in the Jewish-controlled WEF/ Eurasian Empire/Greater Israel NWO plan [a 2,000 year-old plan of the Cabbalists for annihilating Christian civilization & enslaving the rest of humanity to serve the Jewish antichrist].

2 Corinthians 11:13-15

"For such false apostles are deceitful workmen, transforming themselves into the apostles of Christ. And no wonder: for Satan himself transformeth himself into an angel of light. Therefore it is no great thing if his ministers be transformed as the ministers of justice, whose end shall be according to their works."

The World [Jewish] Conquerors – Louis Marschalko, 1958¹

"If its power is not soon eradicated, then the totalitarian world terror will come. There will remain in the end, on one side, the helot-masses amounting to four billion enslaved people without national, racial or religious ties, and on the other, 15 million chosen people who fulfilled the prophecy in Torah and became indeed the masters of all nations."

Vigano (prior to his role as U.S. Papal Nuncio) "served as secretary-general of the Governorate of Vatican City State from 2009 to 2011. [He] was ordained a priest in 1968 and spent most of his career working in a diplomatic capacity for the Holy See. As a priest, he served on a number of diplomatic missions before being consecrated a bishop by Pope John Paul II in 1992."² **Although it is said that Vigano has found Tradition (after serving nearly 50 years as a Modern priest & diplomat), he continues to promote anti-Catholic philosophies, is known for his dishonesty, and is using unconscionable deceit to lead millions of Catholics to the enemies of Christ and ultimately to their annihilation.**

2011: Carlo Maria Vigano told Benedict XVI not to transfer him to the U.S. so he could take care of his brother, Fr. Lorenzo Vigano, who had a stroke. **Fr. Lorenzo Vigano, said that his brother Carlo Maria Vigano "lied to Ratzinger when he asked to stay in Rome because he had to take care of me when I had recovered shortly after my stroke." Fr. Lorenzo Vigano said of his brother Carlo Maria Vigano: "He wrote false letters to the Pope, exploiting me for personal ends". Fr. Lorenzo writes: "Further than a moralizer, my brother stole from me." "I no longer consider it humanly possible to continue to bear the oppression of people who pretend to wear lambskins by disguising their true nature as wolves"**^{3 4}

2010 to 2018: Legal battle concluding with **Carlo Maria Vigano sentenced by the Court of Milan 'to pay his brother Don Lorenzo, a disabled priest, a maxi-millionaire compensation.** The moralizer Viganò, in fact, had maintained and managed the co-ownership of the assets assigned to them at the death of their father, without any kind of accountability to his disabled brother, a distinguished scholar of Mesopotamian texts. The inheritance includes numerous properties for an estimated value of almost 20 and a half million euros, as well as a significant sum of money (over six million seven hundred thousand euros). The Court found that the former nuncio [Carlo Maria Vigano] had always received the proceeds of the immovable property, holding for

himself all the liquidity that was part of the community property, benefiting from a total of "transactions for a net amount of €3,649,866.25". Now he will have to pay his brother half of that amount, news that still does not appear on the blogs of Viganò's flatterers, the various Catholic compasses that say they are made for the truth.' ⁵ Carlo Maria Viganò **"had to pay 180 thousand Swiss francs to his sister Rosanna, after she denounced him for the appropriation of 900 million lire deriving from her father's inheritance."** ⁶

2011 - Archbishop Carlo Maria Viganò became Papal Nuncio to the United States during the Obama Administration (the year after [The Rockefeller Foundation released its Lockstep \[i.e. Reset\] publication](#)⁷ and two years after [Moscow's Skolkovo Innovation Center](#)⁸ [the new "Russian Silicon Valley"] was announced by President Dmitry Medvedev for a **"Russian Reset"**⁹, facilitated by Secretary of State Hillary Clinton & V.P. Joe Biden, compromising national security by transferring U.S. tech & [furthering collaborations with Russia](#)¹⁰ in nano-tech, neural brain research, education, etc.. (A phase planned prior to Russia's full launch into aggressive expansionism to achieve the NWO's Eurasian Empire and Greater Israel for the coming Moshiah.)

Governance, Rights of Non-human Entities, End of Nation-States, etc.).

Note that **Vigano** is an apostle of the **"Moscow, the Third Rome"** movement, nudging gullible Christians toward Russian-led guidance of these anti-Christ agendas.

Considering all of the proofs of conspiracy & long-term orchestrated dialectics to nudge souls into the NWO synthesis, it is logical to conclude that many events & narratives (recorded & disseminated) have been carefully planned & formulated to achieve this long sought-after goal of an anti-Christ World Order controlled by the Jews. ([Protocol 12: NOT A SINGLE ANNOUNCEMENT WILL REACH THE PUBLIC WITHOUT OUR CONTROL.](#))

Protocol 7:

The principal factor of success in the political is the secrecy of its undertakings: the word should not agree with the deeds of the diplomat.

Excerpts: Fr. Fahey: "*Beneath this great westward flow of our civilization, **there are undercurrents moving eastward**. These are impelled by a spirit which looks back to the east, to the days of tyrant and slave, of luxury and misery, and incidentally the **suppression of western culture**. **This spirit is retrogressive**, though often calling itself "Progress," and **its ways are devious**. But the currents for which it is responsible are broad, deep and violent in their effect. The following pages are designed to cast light on these **eastern undercurrents which have undermined western states**."* (Preface)

Financial Corruption, Fraud, & Immorality are emphasized as “**PROBLEMS**” to move us into the “**SOLUTION**” of an Enforcement System for New Moral Law [i.e. Blockchain Assets/Economy, Blockchain ID, Blockchain Behavioral Control System, Blockchain Faith...all tied to Kabbalistic beliefs & goals, leading to enforcement of **Noahide Law**. (See [Catholic Blockchain research](#)¹⁵ written as a letter to a priest.)

2013 - Cardinal Jorge Bergoglio is elected Pope.

- Plans are well underway for the Great Reset/Great Awakening Psy-war Dialectics (with controlled “Catholic” pundits in place to psychologically nudge souls into the Kabbalistic corral).
- Global Tech Standards & Data Collection Centers are established for the Jewish-led Bio-Security State & Digitized Social Economy to enforce new Moral Law [Noahide].
- New Belt & Road declared to establish trade routes for the Eurasian Empire & Greater Israel.
- Assets & power are being transferred to the East to elevate the Eurasian Empire - Greater Israel anti-Christ NWO.

As you can see, the Left Hand (which sits on a black base) is pointing over to the open Right Hand (which sits upon a white base). This reflects the OPs’ practice of using the Left Hand (the “dark side,” which brings about destruction and chaos) to scare people into the open, welcoming Right Hand (the “light side,” which brings about construction and order).”¹⁶

The goal is to collapse The West & Christianity (Rome), transfer Church assets via “Catholic” Blockchain, & set up “Moscow, the Third Rome” & the Greater Israel for Jewish antichrist world rule.

DAANGEROUS ENEMIES OF THE CHURCH: JEWIS AND THE WALDENSES

Then in the 12th century Jewry attempted to gain control of the Papacy with help of the Jewish cardinal Pierleoni, and the sect of the Albigensians also prepared in secret the greatest revolution of the time. Through this Christianity was to be destroyed, and simultaneously in secret other sects were founded, which wished to master all Europe, abolish the existing order and destroy Holy Church. Jewry thus restricted itself not only to organising one sect, one revolutionary movement, but caused secretly several, differing from one another, to arise. The ideologies and principles were different and suited to satisfy the taste of all. If one did not agree with the programme, the dogmas or the confessions of faith of one sect, then perhaps the others would convince him. And if one sect failed, another would triumph.

At all events they supported each other mutually in secret, even if also following apparently opposing and incompatible programmes. Thus Jewry began to apply another of its tactics: not to trust to the victory of one single organisation, but to found many organisations with different and even contrasting ideologies, which did justice to the most diverse wishes and opinions. The Jews do the same today. They found Christian-democratic parties, extreme Right parties—without the name playing a role—, Centre parties, socialist, anarchistic and Communist parties, as well as Freemasonic, Theosophical and Spiritualist organisations, Rotary Clubs, Boy Scouts Organizations and many others. It would require too much space to mention all those which—as well-known writers have proved—are controlled by international Jewry. Thus the Synagogue can control men of the most different tendencies and ideologies, watch over Christian and gentile peoples and drive onward their plans for world rule.

Kabbalist Liberation Script

Western NWO (The decoy)

Kabbalist Bolshevik Aleksandr Dugin (aka "Putin's Brain", an Aleister Crowley devotee) is a primary architect of the Great Awakening / Great Reset Dialectic for the NWO Religion & proponent of war/societal transformation for the Eurasian Empire NWO. A few of Dugin's collaborators are: Vigano, Opus Dei, & alt-right "Catholic" pundits.

The Two NWOs

*"The key to understanding the [JEWISH] strategy in implementing the New World Order is to understand that there are actually two NWOs: a **Western-fronted DECOY New World Order** and a **BRICS-fronted REAL New World Order**. Once you understand how and why the globalists [JEWS] created them and played them against each other, all of the confusing information floating about the mainstream and alternative media will start making sense."*¹⁹

The **"GLOBALISTS"** is actually a **DECOY ENEMY**. The real enemy is the **Jews**, who are setting up the **Jewish Neo-Soviet Eurasian NWO**.

2002: The website 'Lenin' (for which **Dugin**²⁰ wrote) portrays the **Jewish-created Dialectic of World War III** and the **Eurasian New World Order** as the **work of Baphomet**.²¹

Operation SIG is a component of the Zohar (Jewish project to bring in moshiach).²²

“Operation Zionist government (SIG) is the [Jewish] Soviet strategy of using the Middle East conflict as a means of turning the world against the West and ushering in world communism. The operation uses friendlies on both sides of the Israel/Palestine/Arab conflict to build up the Zionist oppression narrative as a perceived continuation of Western “colonialism”. The strategy involves Israel allowing itself to be used as the bad guy as means of framing the West for its crimes in the region. SIG also allows for continued Soviet dominance of Israel and the Middle East, with leaders in all countries in on the plan. SIG is paving the way for the coming Eurasianist World Communist Order.”²³

Heinrich Graetz - History of the Jews (1853):

"(The Zohar states) the Messiah will first be summoned to appear on earth from his secret abode in Paradise. A bloody conflict will then break out in the world. Edom and Ishmael (Christian and Mahometan nations) will vehemently contend with one another, and eventually both will be annihilated by a mightier conquering people (communist Russia/China/Eurasia)." <https://bit.ly/3stmlYM>

Note that controlled opposition “Catholic” alt-right media personalities, such as E. Michael Jones [a Soviet asset only opposed to Zionist Jews]²⁴, are setting up Western Civilization [i.e. Christians] for the slaughter.

Zionism is merely a phase to gain a foothold in Israel, in preparation for the building of Greater Israel and Jewish one world government. As Major Robert Williams wrote in his 1957 book ‘The Ultimate (Jewish) World Order’: “The master (Jewish) strategists will precipitate a Third World War between the Zionist State of Israel—backed by America and the West—and the Arab-Moslem World, backed by the Soviets, the real objective is to destroy the industrial and military capacity of the West. Since Israel must expand, the Israeli group must destroy the Arab states.”²⁵

When Zionist Israel is destroyed through WW3, then the sins of secularist Zionism are wiped out and they can start with a clean slate with a rabbinical Greater Israel.(21)

Rabbi Shmulevich affirms Greater Israel is integral to the Eurasian Multipolar world. “The ideology of Hyperzionism has been developed - building a Jewish state from the Nile to the Euphrates, based on a MULTIPOLAR world.” para 6 <https://t.co/LLPg44haoM>

Other snags in Vigano's credibility, which include his ties to [Opus \(Ju\)Dei](#)²⁶, must be noted before proceeding to the Vigano/McCarrick Dialectic for pied-piping Catholics to the Eurasian Empire & a Kabbalistic Moral Law.

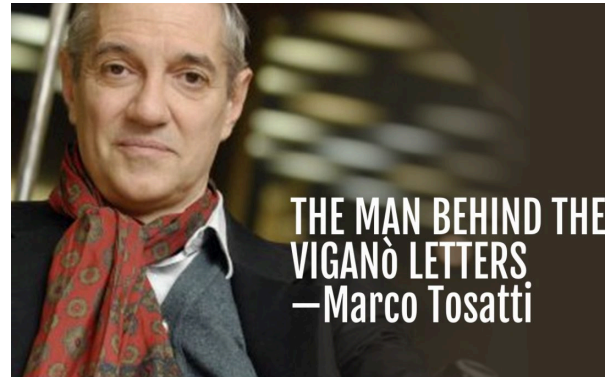

2014 - Vigano allegedly had a role "in the [2014] termination of an internal (secret) investigation initiated and funded by the Archdiocese of Saint Paul and Minneapolis into accusations of homosexual solicitation and seduction of seminarians and others by Archbishop Nienstedt [a friend of Vigano's]" per Randy Engel's [series of articles](#),²⁷ Termination of the investigation has been viewed as an alleged cover up.

Randy Engel's investigation into Vigano's alleged cover up reveals [Opus Dei connections](#) through his collaborators.²⁸ **Vigano's "proofreaders" (or ghostwriters) Aldo Maria Valli and Marco Tosatti are tied to Opus Dei.**

Vigano has been reading from scripts throughout this psy-war operation. Valli and Tosatti (among MANY Opus Dei-controlled media) remain instrumental in promoting Vigano and publishing Vigano letters²⁹ ³⁰ (sometimes called "V"-drops, similar to the "Q"-drops...as Vigano is tied to the "Q" psy-op [an operation similar to the Soviet "Trust" operation³²]).

(Vigano & Aldo Maria Valli)³³

(Marco Tosatti, worked for LaStampa)³⁴

Aldo Maria Valli: "From 1980 to 1984, [Valli] was the editor of the publishing house **Ares** and the monthly **Studi Cattolicaici**, to which he still contributes." "**Ares** is the Milan publishing house of **Opus Dei** and has exclusive rights in Italy for the works of Josemaria Escriva, and **Studi Cattolicaici** (Catholic Studies) is the monthly magazine of **Opus Dei**." "So at the age of 22, Valli was assigned the editorship of two of Opus Dei's prize entities, which means he was initially a celibate numerary of Opus Dei, and later, after he married, he continued his membership in Opus Dei as a supernumerary. Opus Dei would never had outsourced two of its most important literary flagships to an outsider. **So Aldo Maria Valli is an important member of Opus Dei.**"³⁵

Marco Tosatti: In a Patrick Coffin interview³⁶, **Tosatti** explains that he was asked to collaborate with **Vigano** by a **mutual friend** of theirs "**who is not a man of the Church**" for the 2018 release of the "bombshell" 11-page testimony regarding McCarrick. Studies indicate that the testimony was fabricated to elevate Vigano as a staged hero to pied piper Catholics into a New World Order paradigm. The testimony does not correspond with Vigano's documented actions.

Tosatti worked for the Agnelli family's "La Stampa" most of his life. The Agnelli family were close friends with Henry Kissinger and has been doing business with former Soviets since the 1960's. The Agnellis collaborate with sanctioned oligarch Konstantin Malofeev, who is known as Putin's right-hand man, finances Bolshevik Dugin, financed separatist rebels, runs the Tsargrad TV network with former KGB General Leonid Reshetnikov, & owns the Katehon soviet propaganda outlet.

Tosatti also published the Viganò testimony in **La Verità**. *"The director and founder of the paper (and digital version) is the Italian journalist and television producer Maurizio Belpietro. In one of its promotions, La Verità names more than 25 prominent journalists and commentators who write for the newspaper. The list includes a number of Opus Dei members and associates including economist and banker, Ettore Gotti Tedeschi, a former President of the IOR (Vatican Bank) and well-known Opus Dei supernumerary. So, I believe we can say that La Verità is, at least, Opus Dei "friendly," especially since it was among the first Italian publications chosen to run the Viganò testimony of August 2018."*^{37 38}

'Tosatti gave a very personal interview to reporter José M. Ballester Esquivias. [...] His conversion, Tosatti said, was also greatly influenced by the writings of Opus Dei's founder, Josemaría Escrivá, especially Camino (The Way), the handbook that guides the spiritual life of Opus Dei adherents. Although he has stated that he was not a numerary or supernumerary of Opus Dei, the record is clear that, as a journalist, he has maintained close and favorable ties with the Prelature.

On Tuesday, June 17, 2014, the day after the annual Opus Dei Eucharistic Celebration to honor the feast of St. Escrivá, **Tosatti**, who speaks fluent French, gave a talk sponsored by **Opus Dei** on the theme "The Popes and the Diplomacy of Gestures," at the Espace Bernanos Catholic cultural center in Paris."

Like Aldo Maria Valli, Tosatti has appeared as a guest at [Opus Dei's] Pontifical University of the Holy Cross in Rome to discuss topics of interest to other journalists.

Given Tosatti's attachment to Escrivá's written spiritual direction, and his personal and professional defense and promotion of Opus Dei, it is clear that he is definitely in the Opus Dei camp. [...]

A Second Look at Tosatti's Media Recommendations

In connection with the Viganò affair, there is a need to re-examine the media outlets that Tosatti recommended to Viganò at their August 22, 2018, meeting – National Catholic Register and LifeSite News, La Veritas, and the Spanish religious website Info Vaticana.

- **Info Vaticana** is owned by Grupo Intereconomía, which in turn is owned by Julio Ariza Irrigoyen, Gabriel Ariza's father, a wealthy and prominent businessman, journalist and politician from Navarra. Julio Ariza completed his law studies at **Opus Dei's collegial flagship, the University of Navarra, and yes, he is a married supernumerary of Opus Dei.** Under the Opus Dei system of building media anonymous "apostolates," **Info Vaticana is an Opus Dei clone.'**

'Finally we come to three of Opus Dei's most important U.S.-based media outlets which have played a major role in the Viganò saga – The NCR (bought out by EWTN), LifeSite News, and EWTN itself have been at the top of that list from the beginning as primary Opus Dei media outlets. They still are, even more so after the Viganò case.

*The role that all three played in promoting and sustaining the Viganò affair, day after day, has confirmed my initial beliefs that **Opus Dei is the hidden hand acting behind the scenes to move the Viganò matter forward.***"³⁹

Most incorrectly believe that Vigano writes his own scripts & his position organically evolves. However, the reality is that data is analyzed to formulate scripts for psychologically nudging Catholics toward the NWO synthesis.

The Opus (Ju)Dei Threat to Catholicism

In 1939, Escrivá published *The Way*, a collection of 999 maxims concerning spirituality for people involved in secular affairs.^[20] In the 1940s, Opus Dei found an early critic in the [Jesuit Superior General Wlodimir Ledóchowski](#), who told the Vatican that he considered Opus Dei "very dangerous for the Church in Spain," citing its "secretive character" and calling it "a form of Christian [Masonry](#)."^[21]

Per SSPX archived document http://archives.sspcx.org/miscellaneous/opus_dei.htm :

...To maintain it (the Work) and the members of *Opus Dei*, there are other individuals who help, some of these are not Catholic and a large number, a very large number, are not Christians... (Msgr. Escriva de Balaguer, *Tiempo*, p.615).

Per 1992 Jewish Telegraphic Agency article⁴¹:

"The members of the Jewish people who belong to the Prelature of Opus Dei can well testify to all that I have myself stated. There are indeed very many people of the Jewish faith who give their cooperation to the work which Opus Dei renders in service of society," Tullia Zevi, the vicar general of Opus Dei wrote.

TIME TO OPEN THE ARCHIVES

There are a number of Jews who support Opus Dei financially or by donating their time and talent, according to William Schmitt, a spokesman for Opus Dei in the United States.

They, along with an unknown number of other non-Catholics and non-Christians who support Opus Dei's work, are called "cooperators."

Rabbi Leon Klenicki, director of interfaith affairs at the Anti-Defamation League, has had ongoing contact with Opus Dei for more

— than a decade.

Klenicki said he has "never discovered any anti-Semitic reference in any of Opus Dei's writings here in the U.S. or abroad.

On the contrary," he said, "I have heard their great admiration for the State of Israel."⁴²

To be sure, Escriva and Opus Dei represent a leopard with a very different pattern of spots and manner of operating. Whereas the others have generally been diluters of the sacrificial chalices -- adding the pale water of liberalism to the good wine of orthodoxy -- Escriva and Opus Dei have brought an additive of unmistakable potency: Serviam, the spirit of true believers. Here are people who look, act, and sound like the solid old Catholics of yesteryear -- in fact, more so. And that's just the problem: in their scrupulous adherence to the fierce and narrow demands of their humorless and superorthodox prelature, Opus Dei members inevitably become more "Catholic" than Catholicism -- especially in the respective matters of self-discipline, spiritual direction, and reverence for authority. And nowhere is that reverence more evident than in the unthinking, uncritical, and virtually Maoist way they praise and quote the man variously called "the Father," "Our Father," and "the Founder."

On the outside, Hanssen seemed to be the ideal Catholic: pious and dedicated, a firm parent, a loving husband, a dedicated and thorough worker. Who would ever guess the secret and dark life within? In a similar way, Opus Dei members on the outside can seem pious and dedicated, and as they repeatedly defend to the public, dedicated to living ordinary, godly lives. Yet on closer examination, the reality is that Opus Dei members live in a system that disconnects the actual practices of the group -- often manipulative and deceptive -- from its lofty ideals -- which in the mind justify actions and ways of thinking that would be clearly wrong if taken out of the context of the "higher goal." (For example, Opus Dei numeraries are required to develop strategies with their directors for drawing potential members closer to Opus Dei, even to the point of manipulating behind the scenes to make a humanly orchestrated plan look like a spontaneous vision from God.) The result is a paradoxical, "Jekyll/Hyde" mentality that justifies abuses for the sake of the higher good.

One might ask, how could a person live in such a way and not see the disparities and

Patriarchate of Moscow welcomes Opus Dei presence in Russia

Moscow, Russia, Dec 18, 2007 / 09:42 am

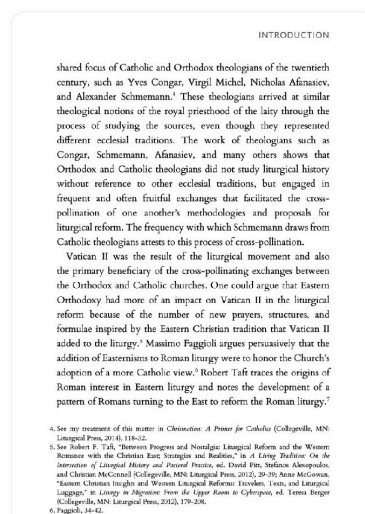

The vice president of the Department of Foreign Ecclesial Affairs of the Patriarchate of Moscow, Archpriest Vsevolod Chaplin, welcomed the personal prelature of Opus Dei, which recently opened a community in Russia, and said its energy and fidelity "to Christian ideals are worthy of great respect."

The Vatican II Revolution [instigated by Jewish tentacles, which also control both Opus Dei and the Russian Orthodox Church] has come full circle to extinguish Western Rome (Catholicism) for their Eastern Cabbalistic NWO.

Liturgical reform after Vatican II :

(pp. 10-11) A concept similar to 'Tikkun Olam' is the end goal of liturgical reform.

The composition and addition of three new Eucharistic prayers, including split epicleses and the wholesale adoption of the Byzantine formula for anointing with Chrism for Confirmation, are the ritual reforms that best represent the influence of Eastern liturgy on Roman reforms.⁸

In this study, I assert that the most important aspect of cross-pollination between East and West has been underdeveloped and functions as the apparatus for the liturgical reform: the common development of a definition of Christian priesthood grounded by Christ as the High Priest who eternally offers the liturgy to the Father, and the communication of this religious identity to lay men and women who actively participate in the liturgy to minister as God's priests to the world. The multi-layered priesthood rooted in Christ the High Priest and the active participation of the laity in the liturgy are the two central pillars of liturgical reform that illuminate its ultimate aim. The relationship between priesthood and active participation in the liturgy is not linear, but circular and reciprocal. Liturgical structures, contents, and rituals communicate priestly identity to the people, who are then enabled to embrace their priestly vocation and actively participate in the liturgy. The people's active and conscious participation in the liturgy facilitates more frequent and clear communication of their priestly identity. Ideally, as the people gradually grow into this priestly identity, they become capable of translating the principles of offering, gift-giving, and service rehearsed in the world to all aspects of their daily lives.⁹

Church: through the service by the people of God to the world in their daily lives, liturgical reform seeks the transformation and transfiguration of the world as well. The aims of liturgical reform are thus quite bold: ideally, people would notice the effects of liturgical reform in daily life through the behaviors, habits, relationships, and service of Christian people who are transformed into *Christ*s (anointed ones) and present God to society on a regular, daily basis. This explains why the council fathers elevated liturgy to the highest stature in the life of the people; liturgy provides the spiritual energy required to achieve the noble and bold objectives of Vatican II: to build up a church of priests who transform and transfigure the world. In the fifty-plus years that have elapsed since the council's promulgation of SC, much of the discussion of liturgical reform has focused on the legitimacy of specific reforms. This study is an attempt to redirect the focus of liturgical theology towards the theological rationale underpinning the reforms of Vatican II and the Orthodox churches that deliberated and implemented variants of liturgical reform.

The Limits of This Study

The reader will note that I have selected four models of Orthodox liturgical reform as the primary narrative stories that unveil the impact of the liturgical movement. The four models of liturgical reform examined here are attributed to Alexander Schmemmann, the Russian Orthodox Church Outside of Russia (ROCOR), the Church of Greece, and New Skete Monastery. Having established that Vatican II was a result of the liturgical movement, and not its cause, I will briefly explain why I have chosen these four models of liturgical reform in Orthodoxy, and will also direct readers to sources that narrate the other stories of Orthodox liturgical reform.

LITURGICAL REFORM AFTER VATICAN II

Liturgical Archaeology in Pre-Revolutionary Russia

Above, I alluded to the fact that the liturgical reform of Vatican II is a result of the contributions of the liturgical movement. I also noted that Vatican II embraced Eastern Christian traditions, principles, and practices in its liturgical reform. The Orthodox Church was active in engaging liturgical study and constructing its history, and one of the most critical periods and contexts for Orthodox liturgiology was in pre-revolutionary Russia. Many pioneers of the study of the liturgical sources established a path for scholars by creating editions of liturgical sources representing numerous centers of Eastern Christianity. Perhaps the most renowned pioneer of Eastern liturgical sources was Jacques Goar, whose *Euchologion* presenting the contents of numerous medieval *Euchologia* is still consulted by contemporary liturgiologists.²⁰ The publication of such editions made the study of Byzantine liturgical history possible, and numerous scholars in the pre-revolutionary Russian academies engaged the enterprise, adding to the repository of liturgical sources. These scholars include Alexei Dmitrievsky (also known as the "Russian Goar"), Mikhail Skaballanovich, Ivan Mandavtsov, Alexander Golubovsk, Nikolai Kravchenko, Athanasios Papadopoulos-Kerameus, and many others.²¹ Among their many contributions are publications that remain useful for the contemporary liturgiologist, including Dmitrievsky's three-

Orthodox Liturgical Ressourcement and the Priesthood of the Laity

The twentieth century witnessed the retrieval and restoration of the royal priesthood magisterially defined by Catholics as a priesthood bearing the Christic offices of king, priest, and prophet. Each Christian receives a divine blessing to exercise these offices in, to, and for the world at Baptism and Confirmation. Prominent Catholic and Orthodox theologians developed sophisticated theologies of the royal priesthood grounded by the exercise of king, priest, and prophet. These Christic offices are not mentioned by *SC*, but appear in *LG* and *AA*. I propose that the retrieval and articulation of this theology of the laity was an ecumenical endeavor, and that its restoration provided a common foundation for the Eucharistic theology expounded by Roman and Orthodox theologians.

In the twentieth century, four Orthodox theologians developed a theology of priesthood drawing from liturgical and patristic sources: Nicholas Afanasiev, Paul Evdokimov, Alexander Schmemmann, and Dumitru Staniloae.¹¹ Afanasiev, Evdokimov, and Schmemmann were products of the so-called Paris School, and Schmemmann's Eucharistic ecclesiology is an elaboration and continuation of Afanasiev's pioneering work in this area. I will streamline this section by limiting the discussion to show how Afanasiev, Evdokimov, and Schmemmann employed liturgical *ressourcement* to articulate this theology of the lay priesthood.

multiple generations into a holy priesthood that served God in the world.

SC emerged within the context of the liturgical and ecumenical movements.² A core tenet of these movements was *ressourcement*, the return to the sources of antique Christianity, particularly the patristic epoch. *Ressourcement* aimed to illuminate a more holistic ecclesial history so that the contemporary Church would reform itself in the light of her whole story. Vatican II did not inaugurate *ressourcement*, but the Council employed and encouraged it. At the same time, *ressourcement* was and remains an ecumenical endeavor. The Catholic dimension of the liturgical movement has a parallel in the Oxford movement of the Anglican tradition. Similarly, the Orthodox Church experienced periods of *ressourcement* from the eighteenth through the twentieth centuries.³ The Russian Orthodox Church studied the history of the Byzantine liturgy and proposed and assessed numerous reforms that would bring the Church up to date, essentially an Orthodox version of *ressourcement*. For the Orthodox, the context of *ressourcement* shifted after the Bolshevik revolution, with the center moving from the academies of the Russian Empire to a variety of centers established by immigrants in the West. Discrepancies in Vigano's (via OD ghostwriter Tosatti) 11-page "Bombshell" Testimony re: McCarrick (2018)

Vigano's 11-page Testimony⁴⁶ accused Pope Francis of not listening to Vigano when he allegedly warned Francis in 2013 of crimes committed by McCarrick & for neglecting alleged sanctions against McCarrick. (NB: Vigano excuses JP II & Benedict XVI for enabling McCarrick during their pontificates). Evidence shows that neither Vigano nor Benedict XVI enforced alleged sanctions on McCarrick.

Vigano's testimony is not congruent with documented facts. The testimony appears to have been fabricated to present a need for "reform". (Another Hegelian dialectic - problem, reaction, solution - to nudge Catholics into the antichrist plan.) In paragraph 69, Vigano states: "Corruption in the misuse of the Church's resources and of the offerings of the faithful must be fought against." Catholic Blockchain will be a "solution". The anti-LGBTQ rhetoric is the Jews' M.O. to coax conservatives/Trad into the NWO religion (related to Bolshevik Dugin's & Opus Dei's Kabbalistic philosophies & Moscow's "Third Rome", civil capital for the antichrist).

The following timeline illustrates just a few of many contradictions in Vigano's statements vs. his actions.

- 2006 - Per Vigano's Testimony (Para. 10) "...on December 6, 2006, I wrote to my superiors...that the facts attributed to McCarrick...were of such gravity & vileness as to provoke bewilderment, a sense of disgust, deep sorrow and bitterness in the reader, and that they constituted the crimes of seducing, requesting depraved acts of seminarians & priests, repeatedly & simultaneously with several people, derision of a young seminarian who tried to resist the Archbishop's [seductions] in the presence of two other priests, absolution of the accomplices in these depraved acts, sacrilegious celebration of the Eucharist with the same priests after committing such acts."
- 2006 - (Para. 11-12) "In my memo, which I delivered on that same December 6, 2006 to my direct superior...I proposed the following considerations and course of action to my superiors:
 - • Given that it seemed a new scandal of particular gravity, as it regarded a cardinal, was going to be added to the many scandals for the Church in the United States,
 - • and that, since this matter had to do with a cardinal, and according to can. 1405 § 1, No. 2°, "ipsius Romani Pontificis dumtaxat ius est iudicandi";
 - • "I proposed that an exemplary measure be taken against the Cardinal... to prevent future abuses against innocent victims and alleviate the very serious scandal for the faithful..."
- 2008 - (Para. 16) "I ended my memo by repeating to my superiors that I thought it was necessary to intervene as soon as possible by removing the cardinal's hat from Cardinal McCarrick and that he should be subjected to the sanctions established by the Code of Canon Law, which also provide for reduction to the lay state."
- 2009 - 2010 (Para. 19) Vigano states that Pope Benedict XVI took measures against McCarrick in either 2009 or 2010. (Para. 20) Vigano states that Pope Benedict imposed canonical sanctions on McCarrick & they were communicated to him by U.S. Nuncio Pietro Sambi. After Sambi's death, Msgr. Lantheaume told Vigano that sanctions were communicated to McCarrick by Sambi. (Para. 18) "The cardinal was to leave the seminary where he was living, he was forbidden to celebrate [Mass] in public, to participate in public meetings, to give lectures, to travel, with the obligation of dedicating himself to a life of prayer and penance," Archbishop Viganò wrote.

⁴⁶ <https://s3.documentcloud.org/documents/4786599/Testimony-by-Archbishop-Carlo-Maria-Viganò.pdf>

- 2011 - Vigano became nuncio of the United States. Vigano said that Pope Benedict's same dispositions were communicated to him by Cardinal Marc Ouellet & (Para. 22) Vigano says that he repeated the instructions to McCarrick at his 1st meeting with McCarrick.
- (Para. 28) - Vigano accuses Cardinal Parolin (Secretary of State) of being complicit in covering up McCarrick's misdeeds since McCarrick continued to travel to various continents on behalf of the State Dept...and Vigano goes on to accuse other prelates for their complicity.

HOWEVER, the following are Vigano's actions after he knew of Theodore McCarrick's "depraved" and "vile" acts, allegedly asked for his hat to be removed, & sanctions were (according to Vigano) already placed on McCarrick. These actions demonstrate a total disregard of sanctions by Vigano (if those sanctions ever existed). A canon lawyer declared: "It is anomalous not to publish a sanction that has public consequences, such as forbidding the cardinal to celebrate mass publicly or make public appearances."

(Para. 45) Viganò states in his testimony that in June 2013 when he was received by Pope Francis (pictured in video), 'He [Pope Francis] immediately assailed me with a tone of reproach, using these words: **"The Bishops in the United States must not be ideologized! E.g. you see McCarrick sitting at a table while hearing him speak at the podium.)

Article excerpts: Viganò's words: "It was evident that starting from the election of Pope Francis [2013], McCarrick, by now freed from all constraints, had felt free to travel continuously, to give conferences and interviews, and was the adviser most listened to in the Vatican for relations with the Obama administration". Per Viganò: "the pope learned about it [crimes of McCarrick] from me on June 23, 2013 and continued to cover for him, he did not take into account the sanctions that Pope Benedict had imposed on him" ⁴⁹

"Expanding on the excellent work of Michael J. O'Loughlin⁵⁰, we have in fact discovered that McCarrick was living a blissful and quiet public life well before the beginning of Francis' pontificate (March 2013)." ⁵¹

"So it is clear that Mons. Viganò blatantly lied precisely in his "queen" accusation against Francis. Card. McCarrick, contrary to what the former nuncio states in his memoir, lived a public life until the end of Benedict XVI's pontificate, even being present in the Vatican and before the eyes of the Pope Emeritus himself, and it did not begin only at the time of Francis' election." ⁵²

"There are two [possible conclusions] :

1) Benedict XVI did not intervene to order the American cardinal to lead a life of privacy and prayer and therefore Viganò is a liar. The accusation against Francis of having disregarded this non-existent imposition collapses. Viganò also lies when he writes that he reminded Francis of the false intervention of the Pope Emeritus, or he also lied to Bergoglio (since there was no Ratzingerian intervention against McCarrick).

2) Benedict XVI intervened against McCarrick but - as demonstrated by us - he allowed the cardinal, accused of immoral sex life, not to obey the authority of the Pope and therefore to celebrate mass, participate in the life of the American Church and in the life of the Vatican, even on the day of his birthday. Thus the accusation against Francis is reduced, as it was his predecessor who was the first to disregard his own order. Viganò remains a liar because he maintained that the cardinal disobeyed Ratzinger's imposition on [McCarrick's] private life only when Francis was elected." ⁵³

"Viganò claims to have known about McCarrick's proclivities in the early 2000s, before becoming nuncio, but he said nothing. During his 2011-2016 tenure as nuncio, nothing was said or done about McCarrick. Think about it. He had access to the files in the nunciature for five years, yet it didn't occur to him to expose McCarrick until two years after he retired. Then in 2018 he called upon the nunciature to release the files he claims are there." ⁵⁴

Conclusion: "Vigano's" 11-page testimony was fabricated to elevate Vigano as a staged hero to Pied Piper Catholics into the Kabbalistic Eurasian Empire - Greater Israel & "Moscow, the Third Rome" - a worldwide Noahide trap.

Vigano is not in hiding.

Mike Parrott (C.O.) of Restoring the Faith Media did a critical analysis on Vigano, concluding that it is highly unlikely that Vigano is hiding for his life. <https://www.youtube.com/watch?v=xp4frOx1uds>

Per Mike: *“The Vatican is a member of Interpol. Interpol is like the combination of the CIA & the FBI counter-terrorism unit, but it’s for all of Europe. That means that if a man is truly wanted by the Vatican, then the entire counter-intelligence and spying assets of Europe can be mobilized to find him. In other words, Archbishop Vigano is not hiding in Econe because if he were, he would be found [...] by European Interpol agents, by the Swiss police, or somebody. [...] The other thing that you should know...that the Europeans have that they developed in the mid-2000’s is something called SIS [...] The SIS is [...] the map [that] encompasses a lot of the EU nations and some others, and it is a centralized intelligence gathering database network, which means it’s sort of like the NSA.”*

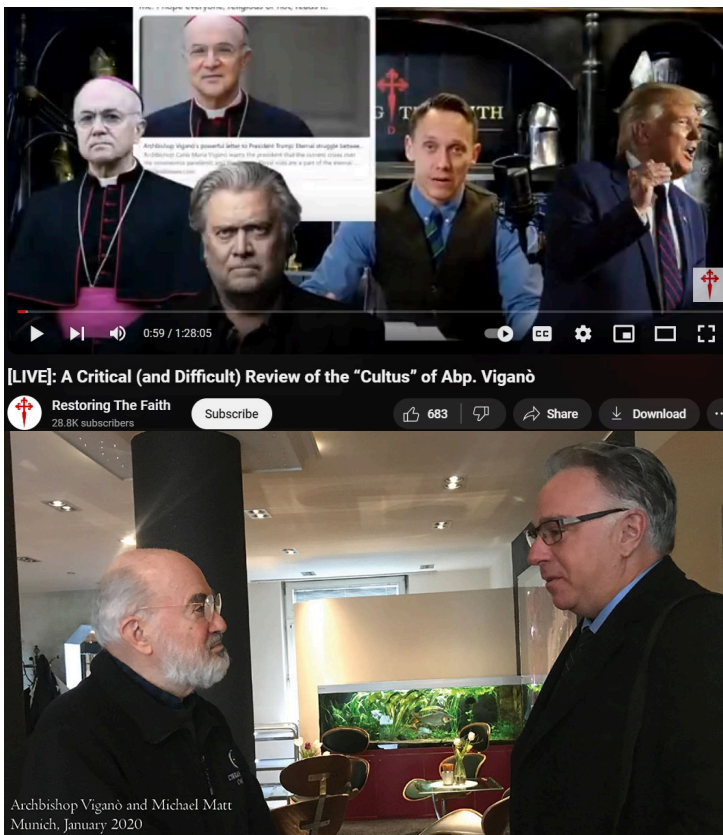

“My question to you, ladies and gentlemen, is...

There are only two possibilities here:

Either His Excellency is in hiding because the Vatican is looking for him because they are going to bring him to justice because he has committed (supposedly by their standards) ecclesiastical crimes in speaking out against the pope and revealing privileged information; he has broken some laws. Either he's in hiding because they're looking for him...

OR he wants you to think that he's in hiding, and he's not really in hiding and no one's really looking for him.”

Also, during Mike Parrott’s live interview of Bp. Williamson, Bp. Williamson admitted to meeting with Vigano in Italy. The Vatican doesn’t seem to be pursuing any leads regarding Vigano’s whereabouts.

Vigano on public square in Munich (in 2020) with Michael Matt & Professor de Mattei (who attended a meeting in 2014 for the alt-right in Vienna hosted by sanctioned Russian oligarch Malofeev w/ “guest of honor” Bolshevik Dugin.)⁵⁵

October 2020: Vigano calls Trump the Katechon. “If Trump loses the presidential elections, the final *kathèkon* [withholder] will fail (2 Thess 2:6-7), that which prevents the “mystery of iniquity” from revealing itself...”⁵⁶ Vigano implies that Trump is an obstacle of the LGBTQ agenda, abortion, pedophilia, & a communist dictatorship. None of this is true. He is to usher in the Moshiah.

What scenarios await the Catholics of the world if Trump should lose?

If Trump loses the presidential elections, the final *kathèkon* [withholder] will fail (2 Thess 2:6-7), that which prevents the “mystery of iniquity” from revealing itself, and the dictatorship of the New World Order, which has already won Bergoglio over to its cause, will have an ally in the new American President.

Also, as an attorney, Vigano knows that this paragraph is blatantly false shilling.

Let's take it line by line.

As a Catholic and as a bishop, how do you judge what Trump has done?

I limit myself to observing what Trump has done during his term as President. He has defended the life of the unborn, cutting funding from the abortion multinational, Planned Parenthood, and just in recent days he has issued an executive order that requires immediate care for newborns who are not killed by abortion: up until now they were allowed to die or they were exploited by harvesting their organs and selling them. Trump is fighting pedophilia and pedostaniam. He has not started any new war and he has drastically reduced the existing ones by obtaining peace agreements. He has restored God's right of citizenship, after Obama had even gone so far as to cancel Christmas and impose measures that were repugnant to the religious soul of Americans.

"He has defended the life of the unborn." With words. He's also given billions of our \$ to farm aborted fetal dna in hopes of injecting us with it. He also insisted on funding federally the state lockdowns, which is what his unnecessary declaration of a state of emergency does.

Jericho March™ Calls Upon People Of Faith To Prayer, Fasting, And Peaceful Protest In The Service Of God, And In Defense Of Life, Liberty, And Justice.

Jericho March™ is comprised of Judeo-Christians peacefully and collectively praying to God to intercede, expose a particular darkness, and bring about justice. As a community of believers, we take our petitions to heaven, and we know that our mighty and powerful God answers and can move mountains.

Jericho was a city of false gods and corruption. Just as Joshua was instructed to march around the walls of Jericho, Jericho Marchers march around at a specific place and time until that darkness is exposed.

The Jericho Marches are also a unified celebration of authentic and diverse Judeo-Christian forms worship including peacefully praying, preaching, singing, rosary recitations, Eucharistic processions, and blowing shofars. Individuals and groups on Jericho Marches are self-led.

Apparently Vigano and Marshall thought they’d fit right in with all this. Never mind what the Church’s law decrees on the matter, namely:

Canon 2316

Whoever in any manner willingly and knowingly helps in the promulgation of heresy, or who communicates in things divine with heretics against the prescriptions of Canon 1258, is suspected of heresy.

Canon 1258

§1. It is not licit for the faithful by any manner to assist actively or to have a part in the sacred [rites] of non-Catholics.

§2. Passive or merely material presence can be tolerated for the sake of honor or civil office, for grave reason approved by the Bishop in case of doubt, at the funerals, weddings, and similar solemnities of non-Catholics, provided danger of perversion and scandal is absent.

Vigano, Bolshevik Dugin, & numerous others tied to Opus Dei participated in the first Antonio Livi [Leading Opus Dei Priest] Philosophy Festival (with Perennialist⁶⁵ subtitle: “Our future between Science and Transcendence”).^{66 67}

The annual Festivals are to lure Catholics into Perennialism.

Announcement: “To the great reset we respond with a **great awakening**: the motto of the 1st Festival of Philosophy ‘Antonio Livi’ is the slogan launched by the Russian thinker Alexander Dugin, then taken up by Monsignor Carlo Maria Vigano”^{68 69}

Vigano praised the anti-Catholic Heidegger(Dasein)-aligned philosophy of Livi^{70 71 72 73}, which is congruent to Bolshevik Dugin’s Fourth Political Theory, a twisted construct to usher in a Kabbalistic/Noahide NWO.⁷⁴

Other key participants included:

Summary of scientific research

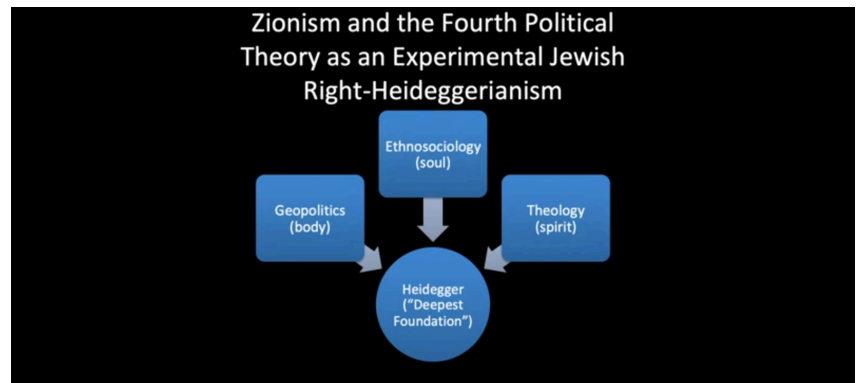

The main subject of my research is the truth-value of knowledge at its different levels or meanings: ordinary knowledge, scientific inquiry, and religious belief (especially Christian faith). This subject was formerly developed studying the relationship between Christian faith and philosophy, with an analysis and a critique of the opinions held around the year 1931 in France by rationalist scholars (such as Emile Bréhier and Léon Brunschvicg) in relation to Catholic philosophers (such as Etienne Gilson, Jacques Maritain, and Maurice Blondel) in the discussion about 'Christian philosophy'. The opinions of other Catholic philosophers, who were in disagreement with Maritain and Gilson because of their alleged 'fideism', were also analysed. The conclusion of this research was an area of philosophy which is exactly what Aquinas taught and expounded in his own times and with his own language – an intellectual work which is as distant from rationalism as it is from scepticism since it possesses a consciousness both of its own possibilities and of its own limitations. According to this notion of philosophy as an 'open system', the positive influence of Christian revelation on the development of truly philosophical research is not only a reasonable abstract possibility, but also a matter of fact as a result of historical inquiry into philosophy as developed from the second century of the Christian age to the twentieth century. After reaching these conclusions, my studies dealt with the foundation of truth according to contemporary logic and the philosophy of language. In this field, I discovered the great relevance of the notion of 'common sense', originally created by modern philosophers such as Claude Buffier, Thomas Reid, and Giambattista Vico, and developed after them by Friedrich Jacobi, Jaime Balmes, John Henry Newman, Charles Sanders Peirce, and Reginald Garrigou-Lagrange. Among contemporary philosophers, the epistemological value of common sense was rediscovered by others such as Hannah Arendt and Hans-Georg Gadamer in Germany, Mortimer Adler in the United States of America, Jacques Maritain and Etienne Gilson in France, and Enrico Castelnuovo and Luigi Pareyson in Italy. Upon the basis of their studies, I have attempted to build up a complete theory of common sense, including a demonstration of its real presence in the background to all human knowledge, and also a demonstration of its performative action in the life of the mind when dealing with truth. This theory is a useful logical means by which to demonstrate the primacy of experience in relation to science, as well as the absolute need for rational human premises for the understanding and acceptance of God's revelation, as expounded by John Paul II's Encyclical *Fides et Ratio*.

The two most troubling statements in Vigano's pro-Russia letter:

- 1) “Perhaps Providence has ordained that Moscow, the Third Rome, will today in the sight of the world take on the role of κατέχον (2 Thess 2:6-7), of eschatological obstacle to the Antichrist.”**

Moscow is not the obstacle of the Antichrist. The Catholic Church is the obstacle to the Antichrist. Chabad-controlled Putin said “Communist ideology is very similar to Christianity”⁷⁸ (Putin unveils statue of Fidel Castro Nov. ‘22 <https://x.com/amrg74/status/1701120992305881159>) & Patriarch Kirill is known to be corrupt.⁷⁹ A U.S.-based Ukrainian Catholic Priest, Fr. Charron, spoke out against Vigano's letter saying that the statement, above, was the most egregious & offensive sentence in the letter & pointed out many logical fallacies & falsehoods throughout the letter. <https://youtu.be/EVGmJ7nhnY8?t=487> (@ 1:28:00 explains the hypocrisy of calling Moscow the katechon) Fr. Yet Vigano hypocritically calls out Zelensky in the letter for his involvement in the WEF & his LGBTQ ideology. 2) "The United States of America and the European nations should not marginalize Russia, but rather form an alliance with her, not only for the restoration of trade for the prosperity of all, but in view of the reconstruction of a Christian Civilization, which alone can save the world from the globalist techno-health transhuman monster."

[The "globalist" techno-health Transhuman Monster has been pushed at Moscow's Skolkovo Center (the new Silicon Valley) created by the Obama admin, Hillary, Biden, Bill Gates & U.S. tech companies.⁸⁰ The Belt & Road trade project [involving Russia & Israel collaborations] is to shift the global economic power away from the West and into the East. Alliances with Russia (especially in U.S. school systems⁸¹) have intentionally debased our society, destroyed Christianity, & dumbed Americans down for a controlled [mind, body, & soul] workforce in a NWO technocracy. Vigano would surely know this as he wrote about Brock Chisholm's influence & the U.N.'s Asst. Secretary General Robert Muller's World Core. (Muller is grandfather of Gates' Common Core & was keynote speaker at the National Catholic Education Convention in 1985...the same year that Reagan made deals with Gorbachev to bring the Soviets into the U.S. education system, destroying what remained of a traditional education for a Soviet polytech system that would change values.) Vigano also knows better than to imply that "the financial groups belonging to an oligarchy with an ideological affiliation" do not have their tentacles in Russia. Their tentacles are **there!** Nathaniel Rothschild – "I have been going to Russia since 1992, when I was still a student in Oxford... I met Rabbi Lazar in Switzerland at the WEF in Davos. We eventually began a friendship and I started visiting his centre in Russia, many times a year".⁸² [Chief Rabbi of Russia Berel Lazar - OxfordChabad.org](https://www.oxfordchabad.org/)]

VIGANÒ AND TOSATTI JOIN PUTIN'S INTERNATIONAL PROPAGANDA MACHINE

MARCH 17, 2023 | EDITOR | 2 COMMENTS

Editor's Note: I recall what it says in scripture about not befriending public sinners. That is the common error of our days. Saint Thomas says that you cannot befriend a sinner without in some sense condoning his sin. And this applies to sinners who are Mafia, civil or ecclesiastical, or on the left or on the right of the political spectrum.

2 THOUGHTS ON "VIGANÒ AND TOSATTI JOIN PUTIN'S INTERNATIONAL PROPAGANDA MACHINE"

 Timothy Fitzpatrick

MARCH 18, 2023 AT 1:55 AM

I think one of Viganò's mission parameters is to keep our eyes focused on mid-level players (and shill for the Eurasianists). He's there to oppose the decoy (Western) new world order while he and the others set up the Eastern new world order as the saviours/liberators.

Obviously, the idea of multi-polarity is an absolute lie that Dugin, Russia, and China are not actually pursuing. They merely want to replace the U.S. as the world superpower and install their own version of world Communism.

Klaus Schwab wants the same **"Multipolar"** NWO (with the elevation of Russia & the Greater Israel) as his teammates Putin, Malofeev, Dugin, Viganò, et al. They are all playing their roles to nudge the gullible goyim into the synthesis.⁸⁵

Vigano's basic message at the Russophile Congress is to unite nations for the purpose of peace & universal principles of natural law (Perennialism), appealing first to the corrupt Patriarch of Moscow⁸⁶ & the Orthodox, who are anti-Catholic. No call for conversion to the Catholic Faith.

Bolshevik Dugin's Satanic Chaos symbol in the corner of the screen, while Vigano calls out the approved villains as a satanic cult.

Dr. Anca Cernea (a Romanian Catholic medical doctor and expert on cultural Marxism) reveals the deception of Putin, Dugin & the Marxist Dialectic, plan of (neo-Soviet) Moscow as 'Third Rome', & the plan to destroy the West using Right & Left.

(There is ample proof that Vigano is willingly collaborating with dangerous actors who want to destroy the True Faith. He is a threat to priests and their flocks.)

In Summary...from other Catholics sounding the alarm:

1.

2. Participates at Zionist ecumenical prayer rally and addresses crowd of Jews, Luciferian New Agers, Protestants etc. as the children of Light. Why? Are they baptized or believers in Our Lord Jesus or Catholic? No. The only thing they have in common is they support Trump.

3. Writes letter to rabbi stating that Jews do not wait for their Messiah in vain when their Moshiach is the Antichrist.

4. Meets with Crowleyan Satanist, Dugin, (who has made clear his plan to infiltrate and take down the Church from within by strengthening Freemasonry) and Opus Dei people in Venice to plan the post covid era.

5. Meets with Crowleyan Satanist, Dugin, at the Russophile conference.

6. Shares Dugin's doctrine stating that Moscow is the Third Rome. This when Moscow's Putin has declared Communism came from Christianity and promotes venerating Stalin's relics and their Orthodox Church is run by KGB Kirill and is a heretical sect that promotes ecumanism.

7. Lied to the Awaken America crowd by stating that the pandemic farce would have never taken place under Trump. This after 1000's of deaths and Trump demands credit and wants to go down as the Father of the Vaccine.

8. Prophecized that Trump would negotiate a peace deal that would create a "coexistence of equal nations". That phrase is communist doctrine with ties to Lenin, Kruschev and the UN as well as the objectives of the NWO described by Ben Gurion, the first prime minister of Israel.

10. Declares Katechons, none of which are the true papacy:
Trump and Moscow

11. Uses phrases that are very special to the lodge such as ending letters which are not even prayerful with the words: So may it be.

As well as repeatedly referring to Our Lord Jesus Christ as the Luciferian Freemason god: Sol Invictus.

12. Continues to support Trump at Zionist Awaken America Rallies. Continually declares that Trump is the enemy of the WEF and Gates etc. when he is clearly implementing their goals.

But give him time, he's still learning.

Maybe he'll learn the First Commandment sometime soon.

ARCHBISHOP VIGANO IS AN IMPOSTER

Vigano's narrative is largely the same as Russian Eurasian propagandist (Jew) Alexander Dugin - too finely to be accidental.

The subject matter of this email is "RED FLAGS WITH ARCHBISHOP VIGANO"

I will first list the red flags in a bullet list, then I will give the proof and evidence for each bullet point.

1. Abp Vigano is connected to Satanist Alexander Dugin.
2. Abp Vigano connection to high level International Jewry
3. Abp Vigano speaking out of two sides of his mouth

I - Abp Vigano spoke at a symposium with Alexander Dugin, who is a huge player on the geopolitical scene. He is a Jewish Satanist. He is an open admirer of Aleister Crowley. This man is evil. You can look him up to read more about him. Anyways, what on earth is the Abp doing speaking at a symposium with the likes of this character?

The topic for the symposium was "A Great Awakening" for humanity? The post-Covid era: Our future between science and transcendence

«**A**l grande reset rispondiamo con un grande risveglio: il motto del 1° Festival di filosofia "Antonio Livi" è lo slogan lanciato dal pensatore russo Alexander Dugin, poi ripresa da monsignor Carlo Maria Viganò, che lancia l'evento organizzato a Venezia per il 30 maggio 2021 nel quale i due grandi esponenti dell'attualità politica e religiosa saranno tra le punte di diamante degli ospiti invitati.

Translated: "To the great reset we respond with a great awakening": The motto of the 1st festival of philosophy "Antonio Livi" is the slogan launched by the Russian thinker Alexander Dugin, then taken up by Monsignor Carlo Maria Viganò

Possible trap: In time, priests could possibly be imprisoned for supporting Russia, and here is the precedent for it:

What the Catholic Church really teaches concerning the Jews:

<http://stsimonoftrent.com/>

Jews exert influence at the Vatican II Council and are absolved in document: Nostra Aetate

► In *Nostra Aetate* §4, the propositions:

True, authorities of the Jews and those who followed their lead pressed for the death of Christ (cf. Jn. 19:6); still, what happened in His passion cannot be blamed upon all the Jews then living, without distinction, nor upon the Jews of today. Although the Church is the new people of God, the Jews should not be presented as repudiated or cursed by God, as if such views followed from the holy Scriptures.

Necessary to note here is the attempt to limit the responsibility for Deicide to a small group of quasi private individuals, whereas the Sanhedrin, the supreme religious authority, represented all of Judaism. Therefore, in the rejection of the Messiah and Son of God, it had collective responsibility for the Jewish religion and the Jewish people, and this irrefutably is stated in Holy Scripture: "And from then on, Pilate was looking for a way to release him. But the Jews cried out, saying, 'If thou release this man, thou art no friend of Caesar; for everyone who makes himself king sets himself against Caesar'" (Jn. 19:12); and "And all of the people answered and said, 'His blood be on us and our children'" (Mt. 27:25).

Also striking is the statement that "the Jews should not be presented as repudiated or cursed by God, as if such views followed from the holy Scriptures." This lacks the necessary distinction between individuals and the Jewish religion. If the subject is individual Jews, the statement is true, and is exemplified by the great number of converts from Judaism in all eras. But if the subject is Judaism as a religion, the assertion is both *erroneous* and *illogical*: erroneous, because it contradicts the evangelical texts and the Church's constant faith from her origins. (Cf. Mt. 21:43: "Therefore I say to you, that the Kingdom of God will be taken away from you and will be given to a people yielding its fruits.") And it is illogical, because if God did not reject the Jewish religion or the Jewish people in the religious sense (which in Jesus' time was one and the same thing), then the Old Testament has to be viewed as being still valid, and contiguous and concurrent with the New Testament. This, then, would sanction the unjustified awaiting of the Messiah, a hope still entertained by today's Jews! All of this is a totally lying representation of Judaism and its relationship to Christianity.

The Jews exert influence at the highest echelons of governments all over the world.

And we, great God! Although there is so much glory and profit, so much sweetness and so many advantages to be gained by serving Thee, shall there be so few to take up Thy cause? Hardly any soldiers under Thy banner! Nary a St. Michael to proclaim among Thy brethren in zeal for Thy glory: *Who is like unto God?*

88

Ah, let me cry out everywhere: Fire! Fire! Fire! Help! Help! Help! Fire even within the sanctuary! Help for our brother who is being murdered! Help for our children whose throats are being cut! Help for our Father Who is being stabbed! If any man be on the Lord's side, let him join with me (Ex. 32:26).

Let all good priests who are spread over the Christianworld, and those who are actually on the battlefield and those who have withdrawn from the combat to bury themselves in deserts and solitude, let them all come forward and unite with us — in unity there is strength — so that we may form, under the banner of the Cross, a well-regulated army in battle array, and together attack the enemies of God who have already sounded the alarm. They have shouted; they have raged; they have swelled their ranks. Let us break their bonds asunder; let us cast away their yoke from us. He that dwelleth in heaven shall laugh at them (Ps. 2:3-4). **Let the Lord arise, and let His enemies be dispersed.**

Arise, O Lord, why sleepest Thou? Arise: Arise, O Lord, why feignest Thou to sleep? Arise in Thy might, Thy mercy, and Thy justice, to form Thyself a chosen bodyguard to keep Thy house, to defend Thy glory, and to save the souls bought at the price of Thy Precious Blood, so that there may be but one fold and one shepherd, and that all may glorify Thee in Thy holy temple: And in His temple all shall proclaim His glory. Amen.
